

Battlement Mesa Golf Club

Men's League

Rules of Play 2017 Season

- 1. All persons playing in the league must have current membership paid in full. This year's dues will remain at \$80 which includes your annual membership fee to the Men's Club, a fee for your annual handicap with the Colorado Golf Association and your "Hole-in-One membership fee. The membership fee is due April 1st.**
- 2. Players are encouraged to join as two man teams. If one cannot do this he is eligible to join the league as a playing "substitute". Only one sub per team each week. Any sub playing in a team match on Wed is required to inform the pro-shop prior to closing on Monday. This is so score cards for weekly matches can be printed as accurately as possible. If a sub is playing for someone who misses due to emergency, and does not give due notice a committee will review the situation. Substitutes will be eligible for both weekly skins and "low gross" and "low net" prizes, but cannot be considered eligible for any "team" prizes.**
- 3. Weekly matches will start at 5:00 pm Wednesday April 12, 2017 and continue forward for approximately xx weeks. After xx weeks the top 6 teams will be seated into a single loss elimination tournament to continue for the final week of team play.**
- 4. The weekly format for play will remain the same as last year. Two man teams competing head to head in weekly matches. Each week the teams will compete for a total of six (6) points for the three (3) matches being played. In the event any match being halved (tied) after nine holes, each team will receive one point for the halved match.**
- 5. All players will pay a weekly fee of \$12 in the pro-shop prior to their match. This fee is \$2.00 for weekly cash skins game, \$3.50 for the team prizes at the end of the year, \$6.50 for weekly "low gross" and "low net" prizes.**
- 6. To win a weekly skin prize the player must beat the field of players on a single holed played, and must hole his ball on that hole.**
- 7. Weekly "low gross" and "low net" prize will be decided on the "team best ball" rather than an individuals score. The weekly game is paid for low gross and low net at three places each. Low gross and net skins alternate every other week. The prize credit will be evenly split between the two members of that team. This changed was made to help increase the speed of play. Any player, who has reached his "esc" score for any hole, should pick-up his ball and**

- move to the next hole without putting out. When this occurs the scorer should mark an "X" on the card for that player on that hole.
