Ways to win:

1. Weekly games are 9 holes. Unless pro shop needs to adjust the schedule, we will alternate playing front and back nines.
2. The point game will run May 3 through August 30. How points are earned is explained on the BMLCG bulletin board. Cost is \$1/applicable game.
3. Match Play will begin in June **if** at least 8 members sign up to play by **June 15, 2022**. Pro Shop will make brackets based on those who sign-up. Match Play fee is \$5.00.
4. The Club Championship will be determined on 18-hole score played on September 13 (front 9) and September 20 (back 9). Championship entry fee is \$5.00
5. Ringer Board (optional \$5 annual fee). The 1st scores of the season on Front and Back will be entered on the board in Ink. Players will update lower scores in pencil on the Ringer Board. Ringer Board "purse" will be distributed to those with most improved scores.
6. Skins will be paid to the **single** lowest net score and the **single** lowest gross score on each hole during applicable games. If no winners, "purse" rolls over to following week.
7. Hole-in-One (\$1 required). When a member scores a hole-in-one on Ladies Day, she immediately receives the entire amount in the hole-in-one account and all members will be required to pay another \$1 to reestablish the fund.
8. Birdies and Chip-ins on game days are recognized, so please note them on the scorecard. If you don't tell us, we won't know.....

Reminders:

1. Check in 30 minutes before tee time
2. Count **all** strokes...even whiffs. Putt out all holes...no gimmes. Pick up when score totals 12 (except on Low Putts day, when you keep playing to record number of putts)
3. Put cell phones on vibrate during game
4. Keep up pace of play
5. Pro Shop will post Ladies Day scores, but be sure to post all of your other scores throughout the season! Accurate handicaps make the game more fun for everyone.
