There's nothing like a mountain layout. The diverse topography, the ever-changing elevations and the 360-degree views will quickly convince you that few layouts stack up to Battlement Mesa Golf Club.

At Battlement Mesa Golf Club we offer affordable golf vacations and a welcoming atmosphere. What's more, we're an easy drive from Denver – and once you're here, you'll discover a peaceful town. The commute back to city life will be tougher than any drive you face on our challenging golf course!

Battlement Mesa Golf Club opened in 1987 and has been ranked as one of the "Best Courses in America You Can Play" by Golf Digest. The routing takes full advantage of our "one-of-a-kind setting" a high plains plateau overlooking the Colorado River. It's an area where Teddy Roosevelt once hunted and where a wild west gang pulled off a famous train robbery. Today, though, the primary pursuit in town is golf on our 18-hole, championship course.
