

2026 Battlement Mesa Men's League Scoring

- 1) A total of 6 points will be awarded for team and match play. 2 points for each single match and 2 points for the team match.
- 2) If one team has 2 players and the opposing team only has 1 player (no sub), the single player can only get a potential 4 points. The team with 2 players automatically wins 2 points for the match play from the missing player. The single player is still playing for match play and team. At least one original team player must be present to participate in the match.
- 3) If both teams are missing a player, then only 2 points will be awarded for the match.
- 4) In the event neither player from the opposing team shows, 6 points will be awarded to the team that is present to play. The team that is playing MUST field 2 players and play the match in order to receive the 6 points. If there are 3 missing players, then only 2 points will be awarded to the player that is present, and he must play the scheduled match to receive those 2 points.
- 5) Points will be halved in ANY MATCH that ends in a tie.

The bottom line is for each team to be responsible for their own team. If you can't make it one week, call a sub and let the pro shop know so they can get the proper score cards out. If you are unable to get a sub, call the pro shop and possibly they can help you find a sub.

The deadline to sign up as a sub is July 4th. Subs must be reported to the pro shop NO LATER THAN TUESDAY prior to league play.

If you have any questions regarding scoring or points, please contact the league committee and not the professional staff. If you have a rulings question, please contact the golf professional or a committee member.

LOCAL RULE - OUT OF BOUNDS AND LOST BALL

Men's League will be allowing the optional USGA Local Rule for out of bounds and/or lost ball.

Allows a player to drop a ball in the fairway and assess a 2-stroke penalty. The players must agree on where the ball went out of bounds and create an imaginary perpendicular line to the fairway, no closer to the hole. From there, you can drop within two club lengths. This should help with pace of play.

SLOW PLAY will not be tolerated. Teams receiving complaints for slow play will be warned twice. If there's a 3rd incident of slow play, the team will be removed from league play without refund.

Although this is our league and we run it, it is a privilege to play here. Any suggestions or complaints need to be discussed with the league committee and NOT THE PRO SHOP EMPLOYEES OR PROFESSIONAL!!

Thanks and let's have a great season!
